Just a quick word on moorings

Moorings have become increasingly popular over the last few years and places are at a premium. Unfortunately, returning the form **will not guarantee a mooring** these are allocated on first come first place basis, Note we will return your mooring fee if we cannot give you space. Please also bear in mind that a good river width for the sailing will always be appreciated, so where possible, please try to avoid double mooring (Waveney's excepted).

Note

Anyone wishing to put a tent up at Regatta must complete one of these forms and hand it to George or any committee member only then will you be issued with a number and permission to camp. Any tents without correct numbers visibly displayed may be removed.
